Equalization Board Hears Complaints in Five Day Session

Alliance, June 13.—The board of equalization in and for Box Butte county, Nebraska, met pursuant to statute. Members present, C. L. Hashman, chairman; George W. Duncan; John Pilkington, assessor; and Avis M. Joder, clerk.

The meeting was called to order by the chairman and the following proceedings were had and done to-wit: Mrs. Ursula Tuttle appeared before the board and complained as to her taxes on N¹/₂ lot 17, S¹/₂ lot 17, N¹/₂ lot 18, Block 23, Alliance, saying that they were too high. Upon investigation the board found that the above land was assessed at \$1,950 and this amount seemed none too high and the assessment was ordered to stand.

J. W. Miller appeared before the board complaining as to his personal assessment of \$1,100.00 stating that it was too high. Upon due consideration and investigation it was ordered by the board that said assessment be reduced to \$1,000.00.

C. B. Witney appeared before the board with complaint as to the assessment on his Marmon car, which was an old car but was assessed as a new car. It appeared that the assessment was \$1,000.00 too high and this amount was ordered to be taken from his personal assessment.

Everett Cook appeared before the board with complaint as to the amount which had been added by the assessor to his assessment of \$4,700.00 to \$6,300.00. Upon investigation it was found that the first assessment was not sufficient to cover his stock and it was ordered by the board that the assessment be placed at \$6,000.00.

Eva F. Vandewalker entered complaint as to improvements which were assessed against the SE¹/₄ sec. 20, twp. 27, range 47, as there are no improvements on this quarter. It was found that such improvements should be on the NE¹/₄ of sec. 22, twp. 27, range 47. It was ordered by the board that the assessment for improvements on the first quarter be stricken from the books and that \$300.00 be added for improvements on the NE¹/₄ 21-27-47.

Leopold Hoellner appeared before the board and complained as to the assessment of the NE¹/₄ of 8-28-49, which land was assessed at \$8.00 per acre. It was shown that three-fourths of this land is rough and of little value, and same was ordered assessed at \$6.00 per acre instead of \$8.00.

F. W. Harris appeared for E. M. Knight relative to assessment of lots 3 and 4, blk. 4, Hitchcock, Hills and Sneekes addition, which he stated were assessed too high for the reason that a greater part of the lots are taken up by the railroad right of way. It was ordered by the board that the assessment be reduced from \$280 to \$50.

Mr. Harris also complained as to the assessment of blocks 1-2-3-4, in Brown's addition to Alliance, but upon investigation it was found that these blocks were assessed very fair and reasonably and the assessment was ordered to stand as shown on the books.

P. J. Nolan appeared before the board stating that the assessment on his land, SE¹/₄, SW¹/₄; SE¹/₄; S¹/₂, NW¹/₄; N¹/₂, SW¹/₄ 4-24-50, is too high for the reason that only 100 acres of this land is hay land and the remainder of little value. It was ordered by the board that the assessment on S¹/₂, NW¹/₄, SE¹/₄ be reduced from \$2,100 to \$1,920.

E. M. Banks appeared with complaint as to assessment on all of section 7-24-51, which was \$540.00. It was found that the assessor had made an error in assessing the land and such assessment was reduced from above amount to \$310.00.

P. Cogswell appeared for the Famous Clothing House, relative to the assessment on stock which had been raised by the assessor. The assessor contended that assessment on stock and fixtures had been given too low. The matter was put aside and will be taken up later.

N. S. Fielding appeared before the board asking that the additional assessment of \$400 which had been added to his schedule for his cleaning establishment be taken off. It appeared to the board, upon due consideration that the assessment of \$750, which was placed by the assessor is none too high and it was ordered that said assessment stand as \$750.

W. W. Norton complained as to assessment on value of land in NE¹/₄ of sec. 24, twp. 24, range 48, which was to the amount of \$4,600. In comparing adjoining land it was agreed that the valuation was high and was ordered by the board to be reduced to \$3,800.

June 14.—The board of equalization met pursuant to adjournment. Same members were present as yesterday and the following proceedings were had and done to-wit:

J. H. Kane appeared before the board asking that half of the assessment on his stock of light fixtures etc., be assessed against the Columbia Lamp company, for the reason that this part of his stock consisted of lamps belonging to said company, being held by him for sale. It was ordered by the board that the assessment of J. H. Kane for \$500 be divided, as requested.

Charles Britton appeared before the board, for the Alliance Shoe Store, which was assessed under the name of S. A. Miller, showing that the stock is pending bankruptcy proceedings and was transferred to George Fenning. He stated that the stock was being sold for less than the assessment of \$2,000.00 and asked that the same be reduced. Upon due consideration, it was the order of the board that the above assessment be reduced to \$1,000.

Clyde A. Watteyne entered complaint as to his assessment of \$2,000 on lot 8, block 6, second county addition. Upon due consideration and comparison of adjoining lots, it was ordered by the board that the above assessment be reduced to \$1,800.00.

S. B. Wright complained to the board as to his assessment of improvements on 3rd 40 ft. from north lot 2, block W, Sheridan add. In comparing these improvements with other and adjoining properties, it was decided

that the valuation of \$1,720 was not equal with others and was ordered reduced to \$1,400.

John O'Keefe requested that the assessment on lot 15, block 24, original town of Alliance, be reduced from \$1,400, which seemed out of proportion with other assessments. Upon due consideration of same, it was ordered that this assessment be reduced to \$1,200.

June 15.—The board of equalization of Box Butte county, met pursuant to adjournment. Same members present as yesterday and the following proceedings were had and done to-wit:

D. E. Ford appeared before the board with request that the assessment on his lot, viz: lot 12, block V, Sheridan addition, assessed at \$2,000, be corrected so as to be on an equal basis with similar properties near his lot. The board viewed the said property and agreed that said lot was valued too high in comparison with surrounding and ordered that the assessment be reduced to \$1,800. They further ordered that a property of equal value situated on lot 2, block 10, Wyoming addition which was assessed at \$1,600, be raised to the valuation of \$1,800.

Earl Mallory appeared before the board for the reason that his personal assessment on stock in grocery store had been raised by the assessor to the amount of \$900.00, requesting that a part of such assessment be taken off. Upon due consideration it was agreed and ordered by the board that said assessment be reduced to \$500.00.

S. B. Wright appeared before the board and complained that the assessment on lots 9, 10, 11, 12, block 19, original town of Alliance, assessed at \$4,400 with improvements, was too high and asked that same be reduced to \$4,000. Upon due consideration the board agreed that \$300 would be fair and just reduction and it was ordered that said assessment be reduced to \$4,100.

Lincoln Lowry appeared before the board relative to a carload of automobiles which had been shipped to him since the first of April and which the assessor had assessed at \$3,000.00. Mr. Lowry stated that these cars are not subject to assessment and asked that such amount should be stricken from the books. Upon consideration whereof, the board decided to take the matter up with the tax commissioner and settle it at a later date.

H. P. Coursey appeared before the board relative to a carload of automobiles which had been shipped to him since the first of April and which the assessor assessed at \$5,000. This matter was carried over also to be decided in the same manner as the above case.

J. A. Keegan appeared for the Farmers' Union Co-operative association, asking that the schedule filed by the Union showing a valuation for assessment of \$2,540 be accepted by the board as the assessment for such association instead of the \$4,000 value which was placed by the assessor on their stock. Upon due consideration of same, it was agreed that the Farmers' Union Co-operative association should take an inventory of their stock and file same with the board so that a definite valuation could be estimated. The matter was carried over until such inventory is filed with the board.

James L. Williams appeared before the board protesting the assessment of \$25, which the precinct assessor had placed on his schedule for clothes and also upon the schedule of Jennie Williams for the same amount, and asking that said amount of \$25 be deducted from each of the above schedules. It is the order of the board that such correction be made on the books.

June 16.—The board of equalization met pursuant to adjournment. Members present, C. L. Hashman, chairman; George W. Duncan, George Carrell, commissioners; John Pilkington, assessor and Avis M. Joder, clerk.

The following proceedings were had and done to-wit: Eugene Burton and E. C. Barker appeared before the board in the interest of Becher, Hockerberger & Chambers company, asking that an assessment for cattle which had been made against said company, for cattle owned by Leslie L. Holcomb. The cattle had been replevined by the above company for chattel mortgage which they hold against the said stock, and for this reason an assessment had been made against the company for the payment of the taxes. The matter was set aside and will be taken up at a later date.

W. S. Acheson appeared before the board asking that the assessment on his piano, which was \$200 be reduced for the reason that the piano is an old instrument and valued at very little more than \$200 when purchased by him. It was ordered that said assessment be reduced to \$100.

June 17.—The board of equalization met pursuant to adjournment. The same members were present as yesterday and the following proceedings were had and done to-wit:

Elias Essay appeared before the board and complained to the assessment of \$250, which appeared on his schedule for 1916 model automobile, and asked that the same be reduced. The board finds that the assessment appears to be correct and no reduction is ordered.

A. A. Higley entered complaint as to his assessment on south 50 feet of lot 1, block H, Nebraska addition, asking that same be reduced to a valuation which seems fair and just and equal to surrounding properties. Upon due consideration of the board, it is ordered that said assessment of \$1,000 be reduced to \$750.

The matter of the assessment of the Famous Clothing House was again referred to by the board. It appears to the board that the Famous and Harper's Department store should be equally assessed and it is therefore ordered that each of said stores be assessed for the year 1922 at \$18,000. There being no further business at this time it is moved and seconded that adjournment be taken until the 28th day of June, at which time all complaints will be disposed of for the year of 1922.
